AMERICAN SKIN ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 1. Significant Accounting Policies

Nature of Operations: Founded in 1987, American Skin Association works to defeat melanoma and other serious forms of skin disease by advancing research, raising public awareness and championing good skin health- particularly among children.

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. In 1996, the Association adopted Accounting Standards Codification (ASC) Topic 958, "Not-for-Profit Entities", Subtopic 205, "Presentation of Financial Statements." (Formerly Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations") Under ASC 958-205, the organization is required to report information regarding its financial position and activities according to three classes of net assets based upon the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to board or donor-imposed stipulations that may or will be met, either by actions of the organization and/or the passage of time.

Temporarily restricted net assets at December 31, 2014 have been restricted by the organization's board or donors to be spent as follows:

Research	
Vitiligo	<u>\$ 46,050</u>
	<u>\$ 46,050</u>

In 2011, the Organization released the restrictions on The Hambrick Fund, which was previously temporarily restricted, and such funds were transferred to unrestricted funds where they remain.

Permanently restricted net assets - Net assets subject to board or donor-imposed stipulations that they be maintained permanently by the organization. Generally, the organization's board or donors of these assets permit the organization to use all or part of the income earned on any related investments for general or specific purposes.

AMERICAN SKIN ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 1. Significant Accounting Policies - continued

Permanently restricted endowment funds at December 31, 2014 have been restricted by the organization's board or donors to be spent as follows:

Psoriasis endowment	<u>\$ 45,237</u>
	<u>\$ 45,237</u>

In 2012, the organization released the restrictions on the Carter endowment fund, which was previously permanently restricted, and such funds were transferred to unrestricted funds.

Contributions: The organization also adopted ASC Topic 958, "Not-for-Profit Entities", Subtopic 605, "Revenue Recognition" (Formerly SFAS No. 116, "Accounting for Contributions Received and Contributions Made"), in 1996. In accordance with ASC 958-605, contributions received are recorded as restricted, temporarily restricted or permanently restricted support, depending upon the existence and/or nature of any donor imposed restrictions.

Contributions, including unconditional promises to give, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Income Taxes: Income taxes are not provided for in the financial statements since the organization is exempt from federal and state income taxes under section 501 (c)(3) of the Internal Revenue Code and similar state provisions.

Functional Expenses: Functional expenses have been allocated between program services and supporting services based upon an analysis of personnel time and office space utilized for the related activities.

Cash Equivalents: For purposes of the statement of cash flows, the organization considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**AMERICAN SKIN ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014**

Note 1. Significant Accounting Policies - continued

Concentration of Credit Risk – The Company does not have a material concentration of credit risk, with respect to pledges receivable, due to generally short payment terms.

The Association maintains cash balances with one banking institution in excess of the Federal Deposit Insurance Corporation (FDIC) limits. The Association also maintains money market funds. Such balances are not FDIC insured.

Note 2. Investments

Investments consist primarily of securities traded on the national stock exchanges and are summarized as follows:
